

# Midtown CDC Business Support

**Storefront Improvement Grants:** Grants of up to \$5,000 can be provided to any Midtown business looking to enhance their storefront. Improvement grants can be used for window or door repairs/ improvements, signage, awnings, exterior lighting, etc. Grant funds will be provided to the business post completion of the agreed upon projects when documentation of all expenses associated with the project are presented to Midtown CDC (OR) Midtown CDC will pay the vendor that working on the project directly. Please complete the “Grant Justification” section of our form describing the storefront improvement you would like to receive.

**Universal Micro-Grant:** Businesses located within the Midtown Boundary are eligible to receive up to \$3,000 as a micro-grant for various business improvements. Micro-grants can support the purchase of equipment, software, hardware or technological enhancements. Please complete the “Grant Justification” section of our form describing the business improvement you would like to receive.

**Street Scape/ Adopt Flowerpots Grants:** Grants of up to \$2,500 to be awarded to businesses who are interested in enhancing the area around their business/ organization through the addition of landscaping enhancements (i.e., flowerpots, tree planter, street scape improvements etc.). Funds will be used to procure the selected improvements, and will also provide partial resources for maintenance.

Applying business must: **(1)** Have a physical commercial location in Midtown CDC target area **(2)** Be in good standing with City of Atlantic City and the State of NJ (current license, property taxes, Good Standing Certificate State of NJ, etc.) **(3)** Midtown CDC will request supporting documents for proof of this information before distributing any grant. **(4)** Midtown Businesses are eligible to apply for one of the available grants per calendar year.
